Special Recovery Month edition!!  
"Visible, Vocal, Valuable!"

# Jammin' n Recovery

Featuring: DJ Beverly and more

September is National Recovery Month! **This year's theme: Visible, Vocal, Valuable!** which highlights the value of peer support in educating, mentoring & helping others. The theme also invites individuals in recovery & their support systems to be catalysts and active change agents in communities, and in civic and advocacy engagements. It encourages individuals to start conversations about the prevention, treatment, and recovery of behavioral health conditions at earlier stages of life.

**Friday, September 11, 2015**  
**7-9:30 PM**

A Celebration for Individuals, Peers and Families in Recovery  
& partners who support recovery efforts!

Purple theme attire encouraged!! (not required)

**Admission is FREE**

Please RSVP by calling 214/634-2722
